

Greg Swedo

Greg was a 1992 graduate of Fremd High School; a person who believed in education; enjoyed many sports; and treasured his friends and family.

Greg excelled at basketball and soccer among other sports while attending Fremd H.S. and the University of Illinois.

Greg was a wonderful and caring person, with a quick wit, and endless sense of humor.

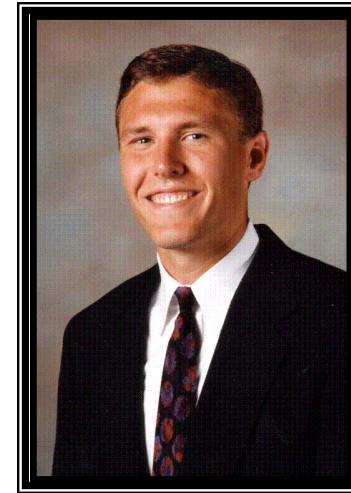

He lived his life with the belief that
"you can never do enough for those you care about."

A passion to keep his spirit alive and to create a legacy of giving has caused this scholarship fund to be established. The R. Gregory Swedo Foundation was formed in 2002 to create a lasting tribute to Greg Swedo. The foundation will fund a scholarship honoring the schools Greg attended; Fremd High School and the University of Illinois.

The Heldman Trophy

We are excited to announce a new award for this year's RGS Outing. Greg's fraternity, Alpha Tau Omega will award the Matt Heldman Trophy to the foursome containing an ATO (active or alumni) with the best score. The trophy is named after Matt Heldman, one of Greg's fraternity brothers, and a co-captain of the 1998 Big Ten Champion basketball team. Matt was killed in a car accident in 1999. The trophy is kept in the ATO house on campus, and the winner's names will be added.

A Special Thank You

Thank you to all of our Golfers & Volunteers!

Each Year we look forward to seeing our old friends with their new additions to their growing families.

*It's a wonderful time for us to reminisce and honor
Greg Swedo.*

*You are what makes this event such a success by
contributing to our future generations.*

Words enough cannot express our gratitude.

*Thank you and we look forward to seeing you again
next year!*

Congratulations to Our 2015 Recipient Roshan Rajan

Roshan graduated from Fremd High School with a 3.86/4.0 GPA. He participated four years with the Boys Swim Team and was named Team MVP.

He was awarded the “Elmer’s Glue Award”. This award is given to the swimmer who has a great impact to the team dynamic and adheres the team together.

Roshan was also a member of the Math Team for four years and went to ICTM State numerous times all while being very active in the community.

Roshan plans to attend the University of Illinois in the fall with a focus on Computer Engineering.

With his work ethic, talent, and passion to make a difference in the world; we think Roshan is an excellent representative of the RGS Foundation and are proud to award him with this year’s scholarship.

The RGS Foundation now has a Facebook Page!
